

Your stuff knocked over.

The easy way to keep your stuff cool and close.

shadepop secured with magnet.

Your stuff cool and close.

Do you love to lay in the sun but your drink and cell phone don't? Do you hide your drink under your chaise to eventually knock it over? Or do you cover your cell phone with a towel only to potentially drop it?

Now, there's a better solution...

- Works on most glass, plastic, metal and wood •
- Lightweight/compact •
- Fits in a beach/pool bag •
- Great promotional item •
